TIPS TO PREPARE FOR HOLIDAY SHOPPING

- ❦ Set a budget. It's easy to get carried away buying gifts, but set a budget for each person you're shopping for and keep track of what you spend. This can help you stick to your overall budget and make sure you're starting the new year on the right foot.
- ❦ Start early. If you start your shopping now, it will help avoid feeling so stressed out in December. If you don't want to purchase items yet, you can start putting what you would have spent into a savings account!
- ❦ Simplify your gifting. Focus on gifting the items you know they really want and minimize gifts that you think may not get much use. Finding the perfect gift for someone is easier said than done, but putting the focus on the meaning of the holiday and family time can really help! Many families use the 'Something you want, something you need, something to wear, and something to read' gifting method.

Using Shared Branching

Find a branch, **WHEREVER** you are!

- ❦ Locate a CO-OP Shared Branch at www.SantaFeFCU.com
- ❦ The credit union's tellers can handle your transactions, including : check deposits, cash deposits/withdrawals, and loan payments.
- ❦ You **MUST** know your Santa Fe FCU five digit account number. If you are unsure of this number, you can find it by logging into online banking. Click on your 01 Share Savings account, then click the  icon to view.
- ❦ Please tell them your credit union is located in Amarillo, TX. The Shared Branch system requires the main location for each credit union. You must have a valid driver's license or government-issued ID.
- ❦ The following will not be available via shared branching: new loans, debit cards, account issues, loan issues, HELOCs, IRAs, Certificates of Deposit, and more. Please contact us for those transactions.

SAVING TIP

Sometimes it can feel like there's no money left at the end of the month to put anything into savings. We recommend 'Paying Yourself First' by saving before focusing on anything else. Be realistic with your savings goal and set yourself up for success by creating a good budget!

Debit Card Rewards

- Every Santa Fe FCU debit card is automatically enrolled
- You will earn points for debit card transactions
- Earn even more points by running your debit card as a signature-based transaction
- There are no limits on the amount of points you can earn!

PROTECTING YOURSELF

Unfortunately, with harder financial times also come big scams. Ensure that you are only putting your debit/credit card information into safe and secure websites. Look for: a lock icon to the left of the website in the address bar, a website that starts with https:// (the s is the important part), and a privacy policy. While this may not prevent all online fraud, it can deter quite a few scammers from getting your information!
