## A Message to Our Members

From Amarillo to Albuquerque and covering the entire United States, providing excellent and dependable financial products and services has been our core focus. Our credit union's goal throughout 2021 was to provide our members the most reliable and accessible financial services.

Despite the challenges of COVID-19 on our communities and economy, Santa Fe FCU had one of the most successful years in our long history. I give credit to our leadership team and our members for that success. The willingness to accept the challenges created by the pandemic and trusting in our credit union was vital to our longevity. The pandemic has limited our personal contact over the past two years, leading Santa Fe FCU to further develop and enhance our technology. We have added new products that enable our members to do business virtually at their own convenience. We are happy to announce that new and existing members are now able to open accounts completely online. It has never been easier to conduct business with Santa Fe FCU.

Our greatest strength as an organization came from the talent of our dedicated staff, who continued to work tirelessly throughout 2021 despite illnesses and shifting work schedules. On behalf of the Board and Senior Management, we want to recognize our world-class team for the commitment they showed to our members, our communities and to each other every day. As we move forward into 2022, we want to thank you, our membership, for your continued support and loyalty to our cooperative. We look forward to serving you and helping you financially thrive.

Last year we also saw the retirement of two very important members of our team, Karla Perdue, Branch Manager at our Harrison location and Anga Corpus, long time loan officer at our Hillside Branch. They will both be missed. We also want to recognize Ms. Vana Sheffield, who will be retiring this week after 14 years of service. We appreciate their years of dedication to the members of Santa Fe FCU.

I would also like to take this time to remember Tyler Allen, a long time member of Santa Fe FCU who served on our Supervisory Committee and Board of Directors for many years. Tyler passed away in 2021. He was instrumental in the growth and success of the credit union over the past ten years. His leadership and dedication to the members will certainly be missed.

As I write this report, I realize that 2021 marked a 10-year milestone for me. The credit union has accomplished a great deal over the past 10 years. Our membership has grown from 7,519 members at the end of 2011 to over 10,525. The total loans for the credit union have increased from \$33,265,193 at the end of 2011 to \$86,933,198 to finish the year in 2021. Total Assets have increased from \$105,099,515 to \$151,416,854. I realize that all the success that the credit union has experienced is a direct result of the staff and members of Santa Fe FCU.

The theme for this Annual Meeting is "Inspiring Growth".

"Everyone wants to live on top of the mountain, but all the happiness and growth occurs while you're climbing it." Andy Rooney

## A Message to Our Members

As we reflect on the past year and years, I am excited about the challenges and opportunities of the future. Santa Fe FCU leadership will look for every opportunity to advance and grow the credit union, but we need your help. We need you to continue to share your stories and your excitement about belonging to Santa Fe FCU. Remember Santa Fe FCU is a financial cooperative and we are all owners. We all benefit from the continued growth and success of the credit union.

As we look forward into 2022, we will continue our initiatives to enhance the financial well-being of our members and our community. Thank you for your continued support and trust in our credit union. We look forward to serving you and your family, and hope for a safe and successful year to come. We look forward to continuing our mission of "Building lifelong relationships one member at a time.", and our vision "to always exceed our members' expectations in our commitment to their financial success."

Finally, we gratefully recognize our Board of Directors, Supervisory Committee, and staff for their diligent effort in 2021. The success of the credit union is directly related to the time and effort contributed by our volunteers. Most of all thank you to our members for your loyal support. May God bless you and your families with health and prosperity.

Santa Fe FCU leadership will look for every opportunity to advance and grow the credit union, but we need your help. We need you to continue to share your stories and your excitement about belonging to Santa Fe FCU."

Steven Adee CEO

## **Supervisory Committee Report**

Santa Fe FCU's volunteer Supervisory Committee is appointed annually by the Chairman of the Board of Directors and confirmed by the entire board. The Supervisory Committee is responsible for the oversight of credit union operations, to ensure compliance with all applicable regulations, and to ensure that all records are maintained accurately. Acting on behalf of the membership, the Supervisory Committee is an entity required by the Federal Credit Union Act.

The committee meets throughout the year to perform duties which include periodic member account verifications, teller cash counts, and general oversight of the credit union operations.

The committee fulfilled their responsibility by contracting with WayPoint, a local auditing firm, to perform the annual audit. The committee receives a monthly financial report at the regularly scheduled board meetings and all members of the committee are invited and encouraged to attend the meetings.

The National Credit Union Administration conducted its last complete federal examination in April 2021. The independent audit team from Waypoint completed their annual review and audit in September 2021 and reported exemplary results. We believe the financial statements contained within this booklet accurately reflect Santa Fe FCU's excellent financial condition, proper internal controls, and a continued expectation for successful operations.

To effectively serve as your representative, we must be kept aware of your concerns. This can be done by formally writing the Supervisory Committee at the address listed below or by personally contacting any member of the committee listed within this report.

Santa Fe FCU continues to grow and prosper as a direct result of our members having the confidence in the services we provide. Such member confidence is achieved through effective planning and implementation of sound business policies. The members of your Supervisory Committee pledge their continued efforts to ensure your credit union remains an organization of quality and integrity.

## **Waypoint Advisory Services**

To the Members of Santa Fe Federal Credit Union:

Your Supervisory Committee meets on a regular basis to oversee the credit union's audit function. Its mission is to ensure accurate and fair presentation of the credit union's financial condition. To accomplish its oversight and fiduciary responsibilities, the Supervisory Committee is assisted by the staff at Waypoint Advisory Services, Inc. Waypoint, an Amarillo based credit union auditing and consulting firm, conducts an annual examination of your credit union's assets, liabilities, and equity using auditing standards established and acceptable to regulators for the purpose of testing the fairness of the presented balance sheet. National Credit Union Administration (NCUA) Rules and Regulations set forth audit requirements and standards for credit unions, which are linked to asset size and audit type. In order to qualify to perform such testing, a compensated auditor must be independent of the credit union's employees, board of directors, supervisory and credit committees and/or the credit union's loan officers, and members of their immediate families.

Our review, effective August 31st 2021, has been delivered to the Santa Fe FCU Supervisory Committee, who is appointed by the board of directors to oversee this review process. We examined, on their behalf, supporting documentation and subledgers, including confirmation information with independent third parties where applicable.

The financials provided accurately reflect any and all adjusting entries and final account balances.

Waypoint Advisory Services, Inc., services over 100 credit unions in the Texas Panhandle and beyond. It is our pleasure to serve the members of Santa Fe Federal Credit Union.

Senior Accounting Officer,

Barrett T. Lynch CEO / Co-owner
