- Every Santa Fe FCU debit card is automatically enrolled
- You will earn points for debit card transactions
- Earn even more points by running your debit card as a signature-based transaction

PROTECTING YOURSELF

Unfortunately, with harder financial times also come big scams. Ensure that you are only putting your debit/credit card information into safe and secure websites. Look for: a lock icon to the left of the website in the address bar, a website that starts with https:// (the s is the important part), and a privacy policy. While this may not prevent all online fraud, it can deter quite a few scammers from getting your information!
